

## **HELP WANTED**

The United States Census Bureau is gearing up for the 2010 US Census. The 2010 Census will help determine state legislative districts, apportion seats for the House of Representatives, and distribute more than \$300 billion annually in federal, state, local, and tribal funds.

Currently, the Census Bureau is conducting employment testing in Lincolnshire and the surrounding areas for positions related to the 2010 Census. Many people in the Lincolnshire area need to be hired for these positions. Hiring will begin in the first quarter of 2009. These are well-paying, part-time, flexible positions. Field positions in this area begin at \$17 per hour and office positions at \$13 per hour. Applicants for these positions must pass a qualifying employment test. Interested applicants must bring identification to the test session. If a passport is presented that is the only document needed, or a driver's license/state ID may be presented along with an original SS card or birth certificate. The test and application process takes approximately 1½ hours to complete.

Below are the dates for testing in the Lincolnshire area for January 2009. Please help get the word out so that these positions can be filled with Lincolnshire area residents. For other testing dates and locations call 1-866-861-2010.
